## **ABOUT CARESCO**

CARESCO is here to serve the community in and around the village of Sawtry in Cambridgeshire. We run a range of services for the benefit of local people thanks to our wonderful team of volunteers from the surrounding area.

Most of our activities run from our purpose-built Centre in the middle of the village, unless otherwise specified.

As a charity, CARESCO is managed by a team of trustees who have oversight of the organisation, which they delegate on a day-to-day basis to the team of paid staff members.

Funding comes from a range of sources including our own fundraising, grants, donations and fees.

## **WHAT IS THE CAR SCHEME?**

The Car Scheme provides door-to-door transport for local people who do not have the use of a private car and are unable to use conventional public transport and for medical appointments only.

## **HOW DOES IT WORK?**

Journeys are arranged through the Co-ordinator and lifts are provided by volunteers using their own cars. Bookings are accepted at the discretion of the Scheme Co-ordinator and are dependent upon the availability of drivers.

The types of journeys undertaken include, but are not limited to: appointments at the GP surgery / hospital / opticians / dentist.

## **HOW MUCH DOES IT COST?**

Passengers pay a contribution of 45p per mile (minimum charge of £2.00) which goes towards the cost of proving their journey. In addition, any necessary car parking fees must also be paid by the passenger.

Mileage calculation begins from the driver's home; and so the cost of a particular journey can vary depending on which driver is providing the transport.

Passengers must pay their contribution to the driver on the day of travel, in cash.
