ABOUT CARESCO

CARESCO is here to serve the community in and around the village of Sawtry in Cambridgeshire. We run a range of services for the benefit of local people thanks to our wonderful team of volunteers from the surrounding area.

Most of our activities run from our purpose-built Centre in the middle of the village, unless otherwise specified.

As a charity, CARESCO is managed by a team of trustees who have oversight of the organisation, which they delegate on a day-to-day basis to the team of paid staff members.

Funding comes from a range of sources including our own fundraising, grants, donations and fees.

WHAT IS CARESCO'S COMMUNITY SUPPORT?

Our team of volunteers are available to complete local errands for those in our community who need support to stay independent as well as helping those that are self-isolating and need assistance with everyday errands.

HOW DOES IT WORK?

Requests are arranged through the Co-ordinator and errands are fulfilled by volunteers. Tasks are accepted at the discretion of the team Co-ordinator and are dependent upon the availability of volunteers.

The types of tasks undertaken include:

- Essential shopping from local shops
- Collecting and delivering prescriptions (from Boots, Sawtry)

Other requests will be considered on a case by case basis and dependent on volunteer availability.

HOW MUCH DOES IT COST?

There is no charge for this service, though donations to help cover costs are always welcome via the office.
