ABOUT CARESCO

CARESCO is here to serve the community in and around the village of Sawtry in Cambridgeshire. We run a range of services for the benefit of local people thanks to our wonderful team of volunteers from the surrounding area.

Most of our activities run from our purpose-built Centre in the middle of the village, unless otherwise specified.

As a charity, CARESCO is managed by a team of trustees who have oversight of the organisation, which they delegate on a day-to-day basis to the team of paid staff members.

Funding comes from a range of sources including our own fundraising, grants, donations and fees.

WHAT IS THE MAN CAVE?

The Man Cave is a place for men to pursue practical interests at leisure, to practice new skills and to enjoy making and mending. It is all about social connections and building friendships, sharing expertise and passing on knowledge.

HOW DOES IT WORK?

Our drop-in sessions are open on Mondays, Tuesdays and Thursdays from 9am to 12 noon, based at the rear end of Sawtry Community Centre, behind the library.

We have a range of activities and projects ongoing with members repairing, upgrading or making items. These can be individual commissions for customers, or items which may later be for available to the general public.

We link closely with the CARESCO Charity Shop including providing electrical testing for suitable items donated via the shop which are then available for sale in the shop.

We can accept referrals from individuals, family members, or partner agencies in the local area such as GPs.

HOW MUCH DOES IT COST?

There is no charge to attend the Man Cave.
